A frequently asked question is, "why don't you pass the offering plate?" We believe this is a time between you and God and not a pressure situation.

Pray about it during service and see what God lays on your heart to give. Then as you leave church, there are offering receptacles on each side of the door. May God bless you and have a wonderful day.

Visitors—If this is your first time at New Harvest, we want to get to know you better. Please fill out our guest card and give it to the hospitality team in the back by the hospitality table. Thank you and we are glad you are here.

Combustion @ 5pm!

Pastor Mike Rosas will be preaching a message on Revolution tonight at 5pm. Be sure to get here for this explosive night that will challenge us and help us grow in Jesus. Justin Roelant will also be here leading us into some passionate worship. This is a night that you will not want to miss. Invite your family, friends, neighbors, and anyone else you can bring. Tonight will also start our New Year's Revolution. See you tonight!!!...PJ

Please silence all cell phones during service

Sunday Morning—Intimacy With God One of the growing concerns that I have is the busyness of so many in the body of Christ. Pastors and parishioners alike are falling prey to the "tyranny of the urgent". This is not a theoretical issue but a very real fact that leaves the church feeling strung out, impatient, resentful and even empty. Noise and words and frenzied, hectic schedules dull our senses, closing our ears to His still, small voice and making us numb to His touch. This was never God's intentions for His children. What we are missing and what the Father is longing for is intimacy with the Almighty. Join us for the next four weeks as we learn how to encounter Christ in the secret places of our lives.

Wednesday Nights—Acts (The Early Church)

For the month of January Pastor Anderson will be teaching about the Acts of the Apostles. The study will stir the hearts of those in attendance by seeing Christianity the real thing in action for the first time. They will see the newborn church as vulnerable as any human child, having neither money, influence nor power in the ordinary sense, yet setting forth courageously to win the pagan world for God thru Christ. Come and be a part as we learn how to become a New Testament church in the 21st Century.

Senior Adult Luncheon On Saturday, January 28 from 11am until 2pm, the Senior Adult ministry (which includes all adults over 60 years old) will be meeting for food, fun, fellowship and Jesus at Golden Corral. The cost is \$5 per person and the church will cover the rest. We hope to see you there and feel free to bring some friends along for the fellowship. Be sure to fill out the additional form so we can stay in contact.

Run with people who want to walk on water...not with people who feel so unworthy of the honor they don't even try. -Matthew Barnett-

New Harvest Believes:

That the Bible is the infallible Word of God, divinely inspired, inerrant in the original manuscripts and preserved by God for use by His Children.

That God exists eternally (in three persons) God the Father, God the Son, and God the Holy Spirit. These three are one God.

That God created the universe by His power and by His Word.

That God is all knowing, all powerful, and ever present.

That Jesus was sent by God the Father into this world to save the world from sin, was born of a virgin, was sinless in His life and mighty in words and deeds.

Jesus was both God and man. He was crucified on the cross for our sins and was bodily resurrected from the dead. He then ascended into Heaven, where he sits on the right hand of God the Father Almighty.

The Holy Spirit is a person, the third person of the Godhead, has all divine characteristics, indwells all believers, and baptizes and seals them at the moment of salvation.

That Jesus, through his death on the cross, provided salvation for all. However, to receive, one must repent of their sins and trust Jesus Christ for their salvation
